Include your name, the name of the course/instructor and a telephone number where you can be reached if an opening becomes available. Waiting lists will be **started after** a class closes. **A student who is contacted about a waiting list will have 72 hours to respond before we go to the next person on the waiting list.**

LAW SCHOOL RESIDENCE CREDIT (Section I, 4 of the Law School Academic Regulations):

Since there is free election of classes for upperclass day and evening students, residence credit for all students will be based on a full-time residence factor of 10 semester hours elected and satisfactorily completed for one-half year. A part-time student is one electing less than a full load of 10 semester hours. Such students will be given the percentage of residence based on the number of hours elected and satisfactorily completed to 10 semester hours. In no event can a person earn more than full-time residence credit during one academic term. Hours carried and passed over and above 10 hours cannot be applied toward residence credit. The maximum student load is 16 credit hours for each term.

While transfer between programs is possible, a student who enters the Law School as a full-time student must complete the requirements for the Juris Doctor degree within five (5) years of the date he/she first entered the Law School, and a student who enters the Law School as a part-time student must complete the requirements for the Juris Doctor degree within six (6) years of the date he/she first entered the Law School. Residence credit for the summer term is limited to .25 per summer. Consult Appendix D of the Academic Regulations for a table of residence credit.

VETERANS:

After registering, all veterans who expect to receive benefits during the term must complete a request for enrollment certification at the University Military and Veterans Affairs Office, University Advising Center, 1600 David Adamany Undergraduate Library. For veterans' benefits only, 8 semester hours per term is considered full-time in the J.D. program, in accordance with University policy.

LAW SCHOOL TUITION & FEE INFORMATION

See Law School Term Calendar for specific tuition cancellation dates.

A Law Student may drop a **non-required** course at any time up to the day of the first examination, series of examinations, or due date for a research paper in that course that amounts to 20 percent or more of the final grade. (Courses with a take-home examination must be dropped before the first day the examination is distributed.) After this time, a student may drop only with the permission of the instructor and the Dean or other appropriate administrative official. The above-stated regulation does not apply to required courses, which are mandatory in the year scheduled. **Permission to drop a required course must be obtained from the Dean or other appropriate administrative official up to the day of any midterm or other examination for credit and, thereafter, by permission of both the instructor and the Dean or other appropriate administrative official.**

Courses dropped will not be counted to establish residence required in Section I, paragraph 5 of the Law School Academic Regulations, and no credit will be given for any course dropped.

Clinical courses, internships, pretrial advocacy, trial advocacy and seminars may not be dropped later than the end of the first week of classes without approval of both the instructor and the Dean or other appropriate administrative official.

If a Law student wants to drop a class prior to the deadline they must do so by the web at <http://www.pipeline.wayne.edu>. Classes may be dropped after the deadline by sending or faxing a completed faculty and instructor approved Register/Add/Drop for to the Law School Records and Registration office, 471 W. Palmer, Detroit, MI 48202. The fax number is 313-577-9800. Your signature, ID number and class number(s) to be dropped must be included on any notice of withdrawal. Consult the Term Calendar for signatures. Tuition cancellation is determined by the U.S. postal cancellation date or fax date. The last date to **drop** a Winter Law School (9-15 week) course **and receive tuition cancellation is Monday, January 25, 2010.**

To withdraw from a class after the deadline log into <http://www.pipeline.wayne.edu>, click the "Student" tab. In the "Student Services" menu, click the "Withdraw from a Class" link. Select the class you would like to withdraw from. Next select the reason why you are withdrawing. Then click "Submit". Review the information on the page. When you are ready to finalize the request to withdraw, click the "Confirm" button.

The Law School tuition and fee assessments, *at the time of publication*, are for resident students \$744.35 a credit hour and non-resident students \$817.90 a credit hour. There is also a registration fee of \$155.45 a term, an omnibus fee of \$34.05 a credit hour, and a fitness center fee of \$25.00 a term. Tuition and fees are subject to change without notice by action of the Board of Governors.

THE HAGUE ACADEMY OF INTERNATIONAL LAW

Wayne State University Law School is fortunate to be able to offer to one student each summer the opportunity to study in the world famous Hague Academy of International Law. This unique opportunity is available to students who take the basic international law course. The Hague Academy offers a variety of courses in public and private international law. The course sessions are approximately two and a half weeks in duration, and run consecutively through July into mid-August. The first two-week session is for the study of public international law. The second two-week session is for the study of private international law.

Funding is available through the Freeman Fellowship provided by the late Mr. and Mrs. Alexander Freeman. The Freeman Fellowship covers the student's travel expenses, tuition, and at least part of the living expenses for the three-week period.

Those interested in the Hague Academy program should see Michele R. Miller, Assistant Dean of Students for more information. Dean Miller is located on the first floor of the Law School, her telephone number is (313)577-3993 and her e-mail address is michele.r.miller@wayne.edu

LAW SCHOOL PROGRAM PLANNING (CONT.)

Current Law School Academic Regulations are available on the Law School website at www.law.wayne.edu.

Law School Academic Regulations are subject to change at any time by vote of the faculty. Notice of such changes will be posted on the official bulletin board of the Law School

SEMINARS AND DIRECTED STUDY:

Students may register for one seminar or for one 1-2 hour directed study each term. No more than 4 semester credits of directed study may be submitted toward completion of graduation requirements. A student **may not** elect a directed study if he/she is eligible to elect a seminar during the same academic year which covers the same general subject matter on which he/she wishes to write. A student **may not** elect a directed study and a seminar in the same term; nor may a student elected two directed studies or two seminars in one term. For directed study, written approval of the professor guiding the study and Asst. Dean Miller must be obtained **prior to registration**. Forms for such purposes are available at the Law School Records Office, and must be turned in with an Add/Drop form in order to register.

Work for seminars and directed studies must be submitted in time so that the professor is able to submit a final grade at the time grades are due for that term or terms for which the hours are to be credited. If the paper is not handed in, in accordance with this rule, or prior to that time as indicated by the professor, the student must withdraw from the seminar or directed study, or will be given a grade of "W". An "Incomplete" will not be allowed for late submission of papers,

A detailed statement of regulations regarding directed study and plagiarism are incorporated in the Law School Academic Regulations.

UNIVERSITY GRADUATE LEVEL COURSES:

A student may elect one law-related course on the graduate level in other departments of the University each term, with a limit of four (4) such courses. Approval to elect such courses must be obtained from Assistant Dean Miller. A grade of "B" must be received to earn law school credit; however, the grade will not be included in computing the grade point average, and will be recorded as "CR" (credit) on the student's transcript.

Election of a course in another University division for which a student will be given a grade of "CR" precludes the election of a Law School course on a pass/no credit basis during that term.

You can locate a copy of the University Schedule of Classes on their website at www.classschedule.wayne.edu.

NOTE: Student schedules are subject to change by administrative action following the registration period if they do not meet the requirements stated in the Law School registration materials or other conditions specifically imposed on a student.

Students may not register for courses if the meeting times overlap.

When registering, students must elect the number of credit hours stated in the schedule of classes for the course. You may not elect fewer or more credit hours even when the system states that it is a variable credit hour course.

ELECTION OF PASS-NO CREDIT GRADING

J.D. PROGRAM ONLY

In any single term or summer session after his/her first year in the Law School, a student may elect to take one **non-required** course on a pass-no credit basis. Up to four (4) courses passed on this basis at the Law School may be credited for residence and hours toward graduation, but will not be included in determining the student's grade point average.

Notice of such election for the Winter Term 2010 MUST BE FILED in the Law School Records Office ON OR BEFORE 5:00 p.m. MONDAY, February 22, 2010. The pass/no credit election **cannot** be done on the web registration system.

For **year long courses** continuing through both terms, **election of pass/no credit must be made on or before Monday, October 12, 2010 during the fall term** but will count as the pass/no credit election for the term in which the course is completed.

The instructor will not be made aware of the student's election, but will rather grade the student in his/her accustomed manner. The Law School Records Office, upon receipt of the student's final grade in the course will enter an "A+" through "C" as a "P" (pass) and a "C-" through "F" as a "NC" (no credit) on the student's record/transcript as the official grade in the course.

- NOTE 1: A student who has elected a fall term course on a pass-no credit basis may not rescind his/her election after Monday, February 22, 2010.
- NOTE 2: Election of a clinical course with a pass-no credit component precludes election of another course on a pass-no credit basis during that term.
- NOTE 3: Election of a course in another University Division for which a student will be given a grade of "CR" precludes the election of a Law School course on a pass-no credit basis during that term.
- NOTE 4: Legal Writing: Advanced **may not** be elected on a pass-no credit basis.
- NOTE 5: Seminars and Directed Studies may not be elected on a pass-no credit basis.
- NOTE 6: Election of LEX 7106 Commercial Law: Directed Research **does not preclude** election of a Law School Course on a pass-no credit basis during that term.

Students may complete the following and bring to the Records Office or fax completed form to (313)577-9800, **no later than 5:00 p.m. on Monday, February 22, 2010.**
