__________________________________________________________________________

REMININDERS:

- Students are responsible for ensuring adherence to program requirements.
- Students must complete 24 credits of course work.
- A minimum of 16-18 credits must be upper level law school courses (LEX).
- Prerequisites may be waived, with Program Director approval, if a student has completed a similar course within five (5) years and earned a grade of “B” or higher.
- After approval of the topic by the Program Director, students must complete either a thesis as part of a seminar or a directed study paper under the individual supervision of a faculty member.
- All program requirements must be completed within six (6) years of enrollment.
- Students must petition and seek Program Director approval for all course selections noted with an asterisk (*).
- Students who have enrolled in the LL.M. program within five (5) years of completing a U.S.-based J.D. program may not repeat courses taken in their JD program.
- ‘Required’ and ‘Required Elective’ courses may not be taken pass/fail.
- All ‘Approved Non-Law School Graduate Level Courses’ must be taken in the classroom. Students will not receive credit for online graduate level courses.
- Students will not receive credit for law school courses (LEX) in which they have received a grade lower than a “C”.
- No credit will be given for non-law school graduate level courses (5000, 6000 or 7000) in which the student has received a grade lower than a “B”.
- For more information regarding course prerequisites, credits and descriptions please refer to pages 1-20 of the Master of Laws (LL.M.) Program Approved Course List available at: http://law.wayne.edu/llm/llm_approved_courses_2007.pdf
