Mock Trial is an excellent trial advocacy program and one of the best co-curricular activities on campus!

As Part of Mock Trial You Will Learn:

- Evidence
- How to argue in front of a judge and jury.
- How to conduct direct and cross exams.
- How to deliver opening statements and closing arguments.

The Program Consists Of:

- A Mock Trial Workshop
- At least 2 trials per semester.
- The opportunity to try cases in a real courtroom at the Frank Murphy Hall of Justice.
- The most credits available through a co-curricular (2 for workshop, 2 for the trials).

If you have any interest in litigation or want practical courtroom experience this is a great way to gain practical experience and work with experienced attorneys. You will learn oral advocacy skills that will help you throughout your career.
